FINANCIAL IMPACT

How much time would it take to identify waste in my business?

5 DAYS

SAP

In just 5 days we can demonstrate Every Angle's waste discovery capabilities on **your SAP data**, and show how much money is trapped, lost or at risk in your business.

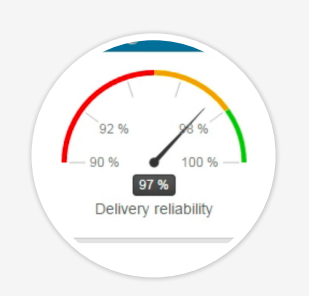

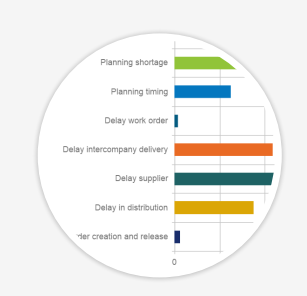

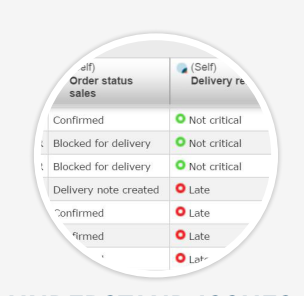

Find immediate ways to:

- ✓ increase cash flow
- ✓ reduce risks
- ✓ turn inventory quicker
- ✓ eliminate unnecessary purchases
- ✓ reduce the amount of non-value adding activities

"We were able to show the operating companies where they can save a lot of money and improve their processes - and we did that with a budget of zero as we had Every Angle"

Leonard Stein, Heineken International
